

Division of a line.

Dividing a line into a number of equal parts.

In this exercise we will divide line AB into 3 equal parts and BC into 5 equal parts. Finish off the cabinet outline.

You can visit: <https://youtu.be/BlzK32RxXR4> for a step by step video of the construction method.

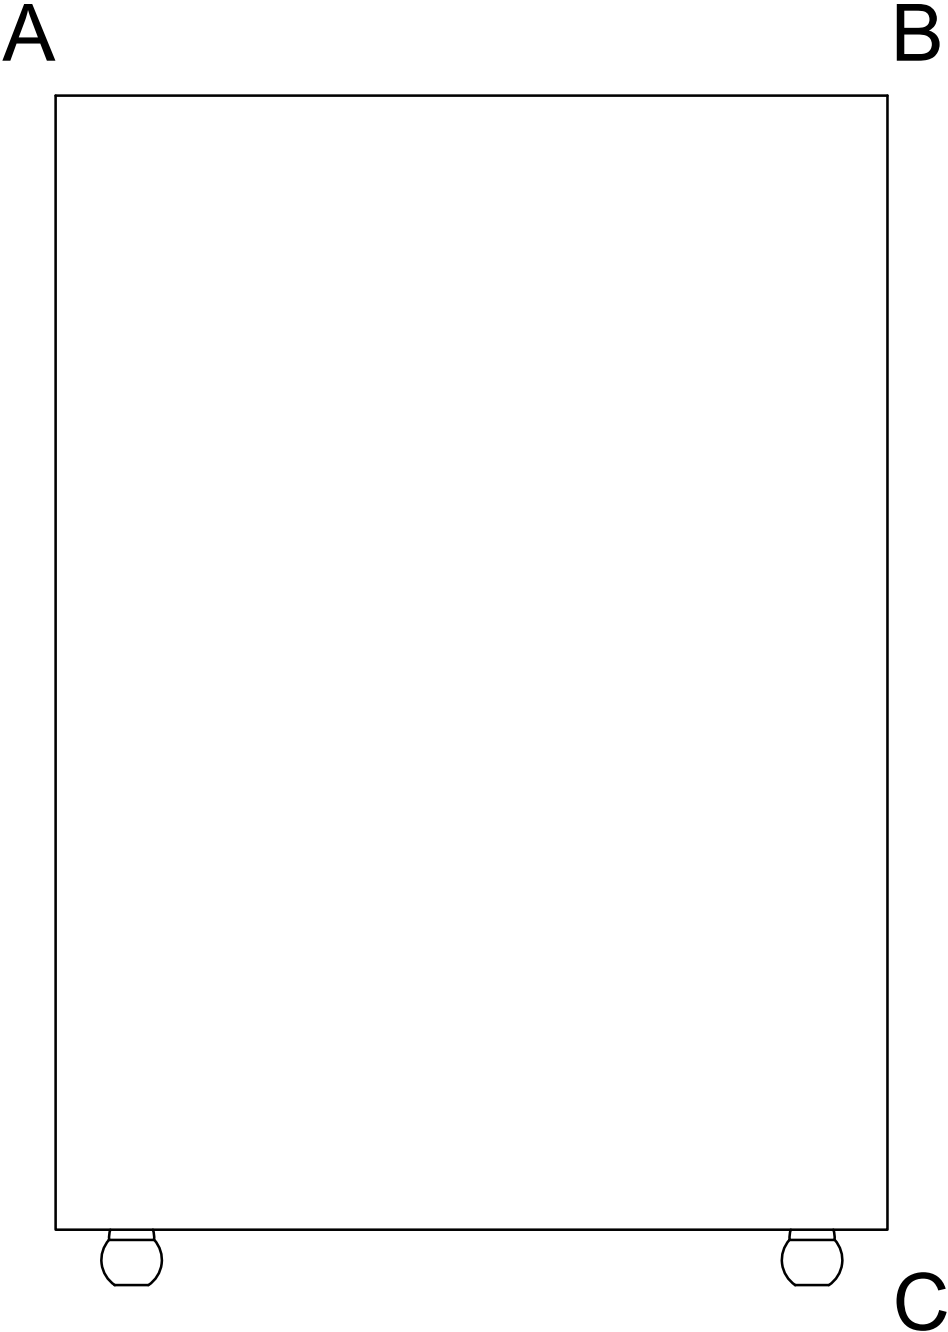

Diagram of a 3D box with dimensions and features. The box is divided into a 3x2x2 grid of smaller boxes. The top face is labeled 'A' and the bottom face is labeled 'B'. The front face is labeled 'C'. The box has a gabled roof and a base with four small circular feet. The drawing includes dimension lines and tick marks indicating proportions.
