

Third Angle Projection Exercise 7

In third angle orthographic projection, draw the:

- a) **Front view** from the direction of the arrow shown,
- b) **End view** and
- c) **Plan**
- d) **Third Angle** symbol

If you have difficulty placing the views and spacing them neatly, you can use the starter sheet provided to help you. As you improve, try completing the drawing without the use of the starter sheet.

To help you visualize the object better you can visit:

https://youtu.be/4t10DW_Zebc for a video of the object rotating in space.
