

## Sectional Views Exercise 1

In orthographic projection, complete a sectional:

- a) **Front view** on the cutting plane X-X.

**Material Thickness: 12mm**

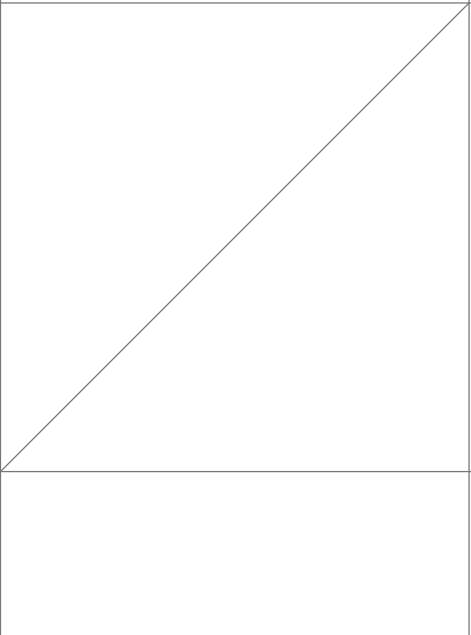

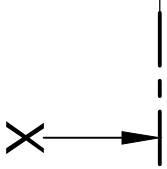

If you have difficulty placing the views and spacing them neatly, you can use the starter sheet provided to help you. As you improve, try completing the drawing without the use of the starter sheet.

To help you visualize the object better you can visit:

# Sectional Views Exercise 1 - STARTER SHEET

The diagram consists of a horizontal line. A vertical dashed line intersects this horizontal line. To the left of the intersection, a horizontal arrow points from a cross symbol (X) towards the vertical dashed line.

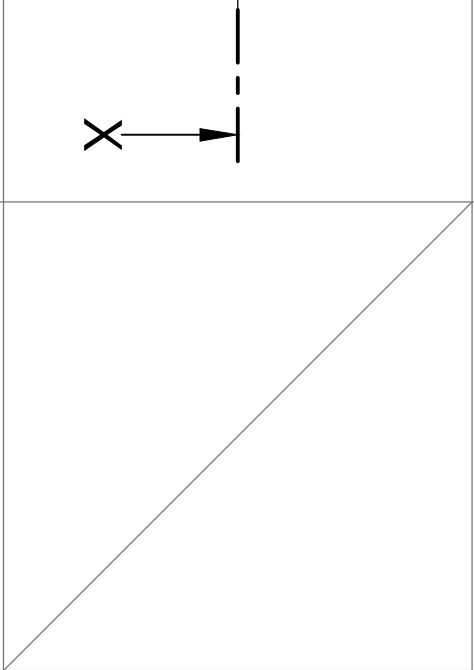

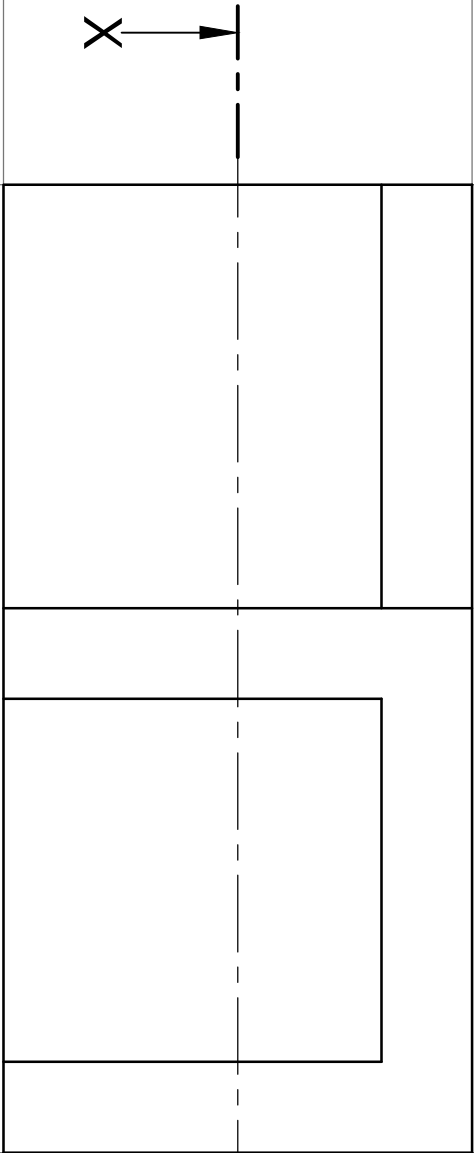

# Sectional Views Exercise 1 - ANSWER

SECTIONAL FRONT X-X

END VIEW
